Technical Skills: Proficient in database management and data analysis using Google Sheets and Microsoft Excel; skilled in office productivity, documentation, and record management through Google Workspace and Microsoft Office Suite; knowledgeable in basic circuit design and computer hardware troubleshooting; experienced in digital documentation, report preparation, and content creation; adept at email systems management, online collaboration tools, and information organization

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Class President

PUP – Sta. Maria Campus | 2022 – 2025

- Elected as Class President from 2nd Year, 2nd Semester until graduation; previously served as Vice President.
- Represented the class in official matters, coordinated with professors, and ensured timely communication of announcements and academic requirements.
- Successfully maintained leadership role through consecutive academic years based on unanimous class support during re-elections.

Chairperson, Secretariat Committee

Alliance of Computer Engineering Students (ACES) | 2024 – 2025

- Led the documentation of academic and organizational events, ensuring accuracy and timely submission of reports.
- Oversaw committee operations, delegated tasks, and maintained organized event records for annual reporting.

Member, Secretariat Committee

Alliance of Computer Engineering Students (ACES) | 2023 – 2024

- Assisted in preparing official documents and reports, including the annual Report of Proceedings.
- Documented organizational activities and events to ensure comprehensive record-keeping.

Deputy Chairperson, Commission on Elections (COMELEC)

PUP – Sta. Maria Campus | 2024 – 2025

- Supported the Chairperson in managing campus election operations, including oversight of voting procedures and tabulation of results.
- Coordinated with election officers to ensure smooth and transparent electoral processes.

Commissioner, Commission on Elections (COMELEC)

PUP – Sta. Maria Campus | 2023 – 2024

- Participated in drafting resolutions and supervised vote counting during campus elections.
